

# SoT, TR Items SS to Raw Conversion Tables (Portrait)

## Time Reproduction (TR), conversioni per i singoli item

Questo documento contiene le tabelle di conversione per i singoli item di TR (durate 2–12 s) per ciascuna et'a.

### Nota pratica

Per ottenere il **totale TR** coerente con l'app, bisogna prima convertire ciascun item nel relativo SS e poi seguire la procedura di aggregazione descritta nel documento dei **Totali**. In questo file trovi solo le conversioni dei 11 item.

## Età 6 anni
